

Find out about

Papermaking Stories

project launch from 11 - 12.30pm on 22 August 2013
at the Low Port Centre Lounge

Were you involved in Linlithgow's papermaking industry, or was your life affected by the industry? Do you have a story about work or leisure in the industry that we can record? Do you have a photograph or artefact that we could copy and share? Any recordings or photos would be made available through the Local History Library.

To find out more about how you can get involved in the project, drop in for a tea or coffee in the Low Port Centre between 11.00 and 12.30 on Thursday 22 August.

We will have a small display of photographs from the papermaking industry, and you will be able to meet some ex-papermaking industry employees and other project volunteers.
