<p>Current – Dinner stories, an intergenerational zero waste project. Partners: Castlehead High School and ROAR Johnstone. Mutual benefit, young people learn not to waste food, older people learn how to operate smart devices. Recipe book with hints and tips will be produced and distributed within the community.</p> <p>Planned – Mens Shed – Intergenerational project with men, possibly retired, and young people looking to learn a skill. Eg. Refurbishing tools, carpentry. Tools produced then distributed to community groups.</p>	<p>Zero waste Scotland budget</p> <p>None as yet</p>	<p>Evaluation</p>

<p>We don't have any projects planned for intergenerational network, but at the Whitehaugh Centre we are doing some fundraising events internally e.g swimming, walking, sponsors. These fit in with our healthy lifestyles.</p> <p>At our have your say days that we hold monthly, our service users have discussed the possibility of a community cafe that the general public could use for tea/coffees, we also thought about inviting Kelburn Care Home for Elderly to come in to a tea and coffee afternoon for a minimum charge.</p>
