

YouthLink Scotland Manifesto 2015-18

YouthLink Scotland is seeking your views

YouthLink Scotland is preparing a Manifesto for the Youth Work sector. This manifesto will be used to campaign for changes, improvements and investment in Youth Work during the upcoming Westminster and Holyrood Elections.

As a membership organisation we will collaborate with you to create a Manifesto for the whole sector. All staff, volunteers and trustees are warmly invited to give your views, comments and ideas at one of the following events:

| | | |
|------------------------------|---|------------------|
| Friday 6 February | Roths Halls, Glenrothes, FIFE | 10am until 1pm |
| Wednesday 11 February | Council HQ, Hamilton, SOUTH LANARKSHIRE | 10am until 1pm |
| Tuesday 17 February | Loft Youth Café, Keith, MORAY | 10am until 1pm |
| Wednesday 18 February | Club Rooms, City Halls, GLASGOW | 10am until 1pm |
| Thursday 19 February | Rosebery House, Haymarket Terrace, EDINBURGH | 4pm until 6.30pm |

Light Refreshments of tea, coffee and tray bakes will be provided

The events will be informal opportunities for you to give your views. The session will be structured around the following questions to enable us to lobby the main political parties....

1. What does the youth work sector need?
2. What can the youth work sector offer?

We will look at these questions within the context of the impact on young people, on the sector itself, and for society as a whole.
