GWT national update:
The GWT Conference held on 4th March at the Lighthouse in Glasgow saw 141 delegates participate in a full days programme. Presentations from our speakers, facilitators and films are now on the GWT website. At the end of the day GWT announced the winner of our first Recognition Awards. We were delighted to receive 47 applications, an excellent response for our first year.

Congratulations to the following winners:
- New Intergenerational Project Award (Less than 12 months) – “Big” Club Nairn, Beginners Internet Group
- Established Intergenerational Project Award (Greater than 1 Year) – Intergenerational Quiz, East Renfrewshire & Renfrewshire Council
- The Yvonne Coull Local Network Coordinators Award – Susan McDonald, Renfrewshire Network
- Young Person who has Contributed to Intergenerational Work Award – Julia Thain, Connect Project, Orkney Befriending
- Older Person who has Contributed to Intergenerational Work Award – William Richardson, Old School Graffiti Project & It’s the people that make the place
- Intergenerational Volunteer Award – Avril Anderson, Volunteer Coordinator

Men’s Sheds Report – Joint Improvement Team
A new report on Men’s Sheds has recently been published by the Joint Improvement Team which can be accessed on the Joint Health Improvement Team’s (JIT) website. http://www.jitscotland.org.uk/resource/report-mens-sheds-scotland/

The document reports on a piece of investigative research undertaken to find out why the community based initiative Men’s Sheds has spread across Scotland and whether there is any learning to be drawn from this which might be shared and applied to other community based initiatives.

Copies of GWT’s External Evaluation, Education Resource Pack and the publication known as ‘Intergenerational approaches to improving health and wellbeing’ can be found on the GWT website at www.generationsworkingtogether.org

National Intergenerational Quiz Toolkit – Copies now available
GWT plan to provide support via the toolkit to local areas encouraging them to hold their own regional quiz. GWT will in the next few months be applying for funding for a P/T coordinator to roll out the programme and hold the first national quiz late 2016.
**Round the table/presentations**

- Audra Webster from P&K Healthy Communities gave a presentation on the Kinloch Rannoch ‘Walk in Our Shoes’ project. The project has encouraged children to look at their community through the eyes of an older person. (Presentation attached)
  Audra is going to give us an update to the project in a further presentation at our next network meeting in September.

Carolyn Wilson (NHS Falls Service Manager) delivered a presentation on the intergenerational activities around physical activity which have taken place in care homes involving school pupils, nursery children, the local community and care home residents undertaking a local street audit, identifying issues which might affect an older person when out walking.

Perth College UHI has delivered a 12 week programme of strength and balance exercises, music to movement and activities to 5 Perth city care homes. This has been a resounding success with special relationships being formed between the residents and the students and the students continuing to provide exercises to the care home in their own time.

There are early discussions with Perth Grammar School, Perth High School and Perth College UHI around the involvement of students taking music and how they might bring their skills into care homes perhaps forming a choir.

**Talks at GWT conference:**

- Shona and Fiona fed back on their presentations at the GWT conference, in particular how well received the Community School of Auchterarder had been. There was an opportunity to see a photo of a section of the graphic facilitation from the conference that featured Perth & Kinross. Everyone commented on how good this was and how much more likely we were to look at it and read it, rather than a page of text. Shona also shared the Living Communities Photojournalism project newspaper ‘Exploring Heritage, Community and Identity’, copies are available in various public places such as libraries, GP surgeries and community centres.

- Balhousie Primary School are involved with:
  North Perth Food and Drink Show on Saturday 5th September 2015.
  The children will be growing vegetables and flowers to be included in a flower and vegetables stall. They will also get to cook some recipes with their produce and bring it along on the day. Children will also get to meet and talk with people living with Dementia and share their experiences with them.

  National Care Home Day/Open Day Friday 19th June
  Children will be joining in with simple sports with residents and will be involved with helping with scoring. Both parties to provide some light musical entertainment. Children will be getting faces painted, fun activities provided, sharing pieces of art work, snacks and juices with residents etc.

  Perth Grammar School link: Children from Balhousie to participate in Theatre Production ‘High School Musical’ Monday 22nd June – Thursday 25th June
  Balhousie Summer Fete and BBQ:
  Wednesday 24th June inviting residents and neighbours from local community.
