

GETSET *for community* ACTION

WHAT IS IT?

- Get Set for Community Action is a new programme from the Get Set family whose goals are to:
- Strengthen relationships between young people and their communities
- Make those communities healthier, more active and more cohesive places
- Promote the Olympic Values (friendship, excellence and respect) and the Paralympic Values (courage, determination, equality and inspiration)

WHAT WILL HAPPEN?

- Get Set for Community Action uses the power of the Olympic and Paralympic Games and their assets, to engage, inspire and motivate young people.
- Thousands of 14-19 year olds – ‘Action Leads’ – will work in teams across the UK, building relationships with local community groups to plan and deliver at least two projects each, in the run-up to the Rio 2016 Olympic and Paralympic Games.
- Programme will be driven by 100 Champion schools supporting and engaging with 500 secondary schools across the UK.

TARGET AUDIENCE

- Young people aged 14-19 from across the UK –with a strong focus on engaging disabled young people or those who wouldn't normally engage
- Local community groups and their members/attendees
- National partner organisations and their local organisation
