DREAMING OF POSSIBILITIES

From Heritage to Creativity with Scotland's Urban Past

SATURDAY 19TH NOVEMBER

10AM - 4PM / THE SPECTRUM CENTRE, INVERNESS

Inspiration for all, open to all. Discover how community groups working on the story of their places have dreamt up imaginative, creative outcomes - making a greater impact - and how you can do the same! Learn how to create a drama script, a graphic novel or a story for live telling in our participative workshops.

This networking & training opportunity combines **Historic Environment Scotland's Scotland's Urban Past** with the **#DareToDream Scottish International Storytelling Festival Campaign 2016**.

Tickets £5 via Eventbrite:
