Funding

Lots of funding opportunities on our funding website as of Jan 2017

GWT Diversity Lab update: GWT staff member, Rebecca, took part in a recent trip to Berlin to meet with intergenerational practitioners from Germany, Poland and Northern Ireland. There were two intensive days of training during which intergenerational approaches were discussed and ideas developed and shared, and there were 2 days of project visits of IG projects in Berlin. One project visit was to a consulting centre for intergenerational living in Berlin. This centre provides information free of charge to individuals, joint household groups, co-housing groups, landlords or investors.
