**JOB DESCRIPTION**

**Salary:** £24,964 per annum (35 hours per week)  
**Status:** Full time  
**Duration:** One year from start date (may be extended if further funding secured)

**Post: Intergenerational Development Officer**

**Overview**
Although a new charity Generations Working Together (GWT) was established in 2007 and were originally known as the Scottish Centre for Intergenerational Practice. GWT’s main aim is to work towards creating a fairer Scotland where people of all ages, but particularly the young and old, work together to challenge stereotypes, build social cohesion and mutual respect and build stronger communities founded on the assets of all of its members.

GWT works with a wide range of public, private and voluntary sector organisations to gather and share best practice, provide information and support and develop new opportunities for intergenerational working in communities.

**Overview of Post**
The Development Officer is responsible for developing intergenerational initiatives within two schools, which will address literacy and numeracy, recruit older volunteers and provide support to organisations keen to connect and grow their intergenerational work.

**Responsible to:**  
The National Development Manager

**Responsible for:**
1. Building a programme of intergenerational initiatives within schools working primarily with children who are most affected by the poverty attainment gap
2. Recruiting, training and supporting older volunteers
3. Develop, coordinate and deliver training opportunities throughout Perth & Kinross
4. Encouraging Perth & Kinross Council, groups & organisations to embed intergenerational practice within local policy using the Guidelines document as a tool
5. Encouraging new partnerships between young and older people’s organisations.

**Responsibilities:**
- To build a programme of intergenerational initiatives within 2 schools primarily addressing numeracy and literacy (The Community School of Auchterarder & Perth Grammar School)
- To recruit, train and support a minimum of 10 – 12 older volunteers
- To process Disclosure Checks for older volunteers working in schools
- To work closely with school staff to identify young people to join intergenerational projects
- To organise and support an intergenerational planning group in each school
• To support and encourage schools and community groups to establish links and partnerships with public, voluntary and private organisations through which new partnership opportunities are developed, sharing and developing their skills
• To identify schools who haven’t undertaken intergenerational work and encourage and support them to undertake projects connecting them with older people in the local community
• To organise, facilitate and evaluate a learning event within Perth & Kinross celebrating intergenerational work from across the area
• To produce a training guide for volunteers working within schools
• To plan a celebration event in March for volunteers
• To organise and facilitate with the support of a volunteer coordinator & GWT manager, 3 local intergenerational network meetings
• To plan and implement a mapping exercise of what is currently happening across Perth & Kinross
• To develop, coordinate and deliver a range of training sessions aimed at specific groups including schools, older people’s groups and other organisations
• To support and encourage Perth & Kinross to champion intergenerational work and deliver a coordinated approach throughout the authority area by embedding intergenerational practice into community plans and possibly developing an intergenerational toolkit for the council
• To promote good practice and standards in intergenerational practice to national/local organisations and members who are looking for ideas for new intergenerational projects
• To support school projects to write up approximately 4 case studies during year 1 to be showcased on the GWT website and social media sites
• To investigate and collaborate with the NHS around intergenerational work within care at home settings
• To organise and support an evaluation planning group to collate evidence and feedback from all activities throughout the lifetime of the programme
• To produce reports and feedback meeting criteria for funders and GWT board
• To input information, news articles, updates etc. onto the GWT website and social networking sites (Facebook, Twitter & You Tube) regarding school projects and resources
• Take part and support the GWT national conference
• To report regularly to the Manager on all developments of the projects
• Employees are expected to undertake any and all other reasonable and related tasks allocated by their line Manager.
