### Generations Working Together national update

**United Nations International Day of Older Persons** and **Grandparent's Day** both take place on the 1st of October. This year we are looking to share stories, memories and photos with grandparents as part of our campaign to challenge stereotypes and ageism. So please send us photos with/of your grandparents with a short story about their life or how they have helped/supported you. It doesn't need to be only biological grandparents, it can be anyone who has played a role as a grandparent in your life including from intergenerational projects. You can send the photos and stories to our fb messenger or e-mail our communications intern Kate at [kate@generationsworkingtogether.org](mailto:kate@generationsworkingtogether.org)

### **Channel 4 documentary (1&2<sup>nd</sup> Aug 2017) - #oldpeopleshomes4yo**

Pre-schoolers share their classroom with pensioners for six weeks. What impact does this intergenerational experiment have on the health and happiness of the older group?

If you missed #OldPeoplesHome4yo last night, you can catch up here @Channel4.

GWT plan to run the 6-week course starting on Tuesday 7<sup>th</sup> November and finishing on Monday 18<sup>th</sup> December 2017. There will be an approximate cost of £100 per person for the course, which takes approximately 50 hours to complete. The course includes tutor support. Further details will be available around September time.

As the training is still being tested we shall only be offering approximately 20 places.

### **Voting members**

**Network coordinator vacancy** – If anyone is interested in taking on the role of coordinator please get in touch with Alison for further details.

### **Isolation & Loneliness**

The Scottish Government has committed to producing a National Strategy to tackle social Isolation and loneliness (Scottish Government) – a draft strategy consultation is due out after the summer.

### **Tools for measuring isolation and loneliness**

Alison mentioned a toolkit that projects can use to measure the impact their projects have on reducing isolation and loneliness. There are four scales to choose from including both positive and negative wording. The Befriending project has used one of the loneliness measurement scales however the questions didn't really work for them. The Rickter scale could also be used in conjunction with the loneliness measurement tool.

### **Sharing IG stories and projects – round the table**

June related her experience at Forest View involving music, dance and drama with her sensory group. There's an interest in bringing more people in. The Friday lunch club is also doing this. Idea of possibly getting physiotherapy students involvement in delivery of programmes and interaction in the centre.
