Connecting Generations

Volunteer - make a difference
We work with schools and their communities throughout Perth & Kinross, supporting young people in their learning.

Through our activities in literacy and number work we connect younger and older people (of 50 years and over), improving the skills of the children and providing social opportunities for the adults.

Our projects take place in schools in small groups, or one-to-one sessions with pupils.

Our volunteers enjoy meeting new friends and having an interest in working with young people.

Our volunteers need a little patience and a commitment to having fun.
Volunteering

What our volunteers get up to:

• Helping young people with their reading and writing
• A little training (approx. 3 days)
• Discussing our progress with other volunteers

When we need our volunteers:

• At least two hours per week
• Any day Monday to Friday
• Any time between 9.00am and 3.00pm

Applicants will be subject to an enhanced background check: Protection of Vulnerable Groups.

If you would like to volunteer please get in touch using the contact details on the back page.
For further information and participating schools, please call 07927 550730 or email maureen@generationsworkingtogether.org
