

April 2018

Dear Network Co-ordinator,

Partnership Activity with Generations Working Together

We invite you to use our 'Inspiring Purpose – Between the Generations' poster activity within your network.

The poster template is a unique way for two people from different generations to discuss memories, stories and inspiration from recent history, learning about Character strengths and each other as they go.

As a Network Co-ordinator you can order as many free copies of the poster as you wish and use the poster in any setting where it may help you with your important intergenerational work across Scotland.

To support your use of the activity, we will provide each Network with a small grant of £100 with your first order to use as you see fit. The funds will be transferred to GWT on receipt of your order.

Our aim is to get as many completed posters returned to our office by 31st August 2018 so they can be entered into a national competition with prizes to be awarded in November 2018.

Please have a look at the website for more detailed information and feel free to speak with Jason Penman, Programme Co-ordinator on Tel: 01334 844900 or email your order to: admin@inspiringpurpose.org.uk.

With thanks and best wishes,

Ronnie Davidson, CEO

Generations Working Together

NETWORK ORDER FORM

Please complete the order form to receive free copies the Between the Generations Poster for use in your project or network. Return your form to Jason Penman, Programme Co-ordinator on Tel: 01334 844900 or email your order to: admin@inspiringpurpose.org.uk.
