

SMALL SPARKS

Small Sparks is a small grants programme (up to £500) that helps people to do new and exciting things in their community.

People have great ideas and mostly they don't cost very much money. They just need a little spark, a little support and then – stand well back!

If you live or work in Fife and have a fun or interesting idea for a brand-new community group, activity, or event that will bring local people together then we'd love to hear from you.

Closing date for applications is 1st March 2023.

(Please do not apply if you have received funding from Small Sparks before.)
